

**Title:** MMG Insurance Targeted By Fake Check Scam

We have learned that our Company has been targeted by an illegal sweepstakes fake check scam. A yet to be identified individual or individuals had sent a number of bogus sweepstakes letters to people in various regions of the United States. The letters fraudulently used the MMG Logo and referenced us throughout without the Company's knowledge or authorization. In addition, the sweepstakes scam included counterfeit MMG Insurance Company checks.

Since learning of this scam, we have notified law enforcement authorities and our Bank. We have also provided information to those inquiring upon receiving letters and taken appropriate steps to protect the Company from financial loss. Finally, we have reviewed all systems and assured that no confidential customer information was exposed or breached due to this scam.

Finally, we want to emphasize again that MMG Insurance Company, MMG Financial Services and its parent company, Maine Mutual Group, in no way has offered, sponsored or endorsed any sweepstakes of any kind. We encourage recipients of this fraudulent letter and counterfeit check to destroy these documents immediately and report the incident to his or her local law enforcement authorities.
